Information concerning support with the recovery process for employees with group insurance

As resuming your activities is not always easy, additional support from an independent external expert can have a positive impact on your recovery process and return to work. This is why Vivium has joined forces with various partners who specialise in providing such support.

Vivium will decide whether you qualify for this support based on the elements in your file. Vivium will then put you in touch with one of these external partners, who will provide you with individual, personalised support during your recovery. This offer is free of charge with no obligation and focuses primarily on stress-related conditions such as burnout. If you consent below to sharing your contact details with said partner, you will first be contacted by phone, at which point you can freely decide whether you wish to make use of this additional support.

Yes, you may pass my contact details on to an external independent expert. I am entitled to cancel the support at any time. The external partners guarantee strict confidentiality and respect for professional secrecy.

No, my contact details may not be passed on.

By signing this document you agree, on your own behalf and on behalf of the persons you represent or who represent you, to P&V Verzekeringen cv/P&V Assurances sc processing your health data.
